1. **TERMS OF AGREEMENT.** The purchase order ("Order"), together with these Terms and Conditions and any attachments, specifications and exhibits, whether physically attached or incorporated by reference (collectively the "Agreement" constitute the entire and exclusive agreement between the Ralph Lauren company ("BUYER ")and the Seller ("SELLER") identified in the Order, for the purchase of goods ("Goods") and/or services ("Services") by BUYER from SELLER. In the event of any conflict, the following shall be the order of precedence (highest level of precedence first): (i) the Order excluding any attachments; (ii) these Terms and Conditions; (iii) any document incorporated or specified in the Order; (iv) the SELLER's offer (if applicable). Any other document, including any terms or conditions which SELLER may purport to apply or which are endorsed upon any correspondence or documents issued by SELLER (irrespective or their date of communication to BUYER) shall not be applicable between the parties, unless stated otherwise. However, any agreement executed by the BUYER and the SELLER (individually "PARTY"; collectively "PARTIES") and in effect, covering procurement of the Goods or Services described in the Order, shall prevail over any inconsistent terms herein. SELLER's electronic acceptance of these, acknowledgement of this Order, or commencement of performance constitutes SELLER's acceptance of these Terms and Conditions.

2. **QUALITY OF GOODS/SERVICES.** Without prejudice to representations or warranties applied by law or otherwise given by SELLER, SELLER warrants that the Goods shall be: (a) in full compliance with their description and the specifications as agreed in writing by BUYER, attached to the Order or incorporated by reference ("Specifications"), (b) free from defect; (c) fit for their intended purpose or application; (d) manufactured and supplied strictly in accordance with the relevant specification; and (e) free of any registered or unregistered charge, lien, mortgage or other encumbrance. Services shall be provided with all due skill and care and in accordance with industry recommended standards and practices. SELLER shall ensure that all of its personnel and subcontractors are suitably qualified to perform the Services and that all necessary licences, work permits or other authorizations have been obtained. SELLER shall further comply with all its legal obligations in connection with employment, health and safety and social security contributions in relation to all individuals involved in the performance of the SELLER's obligations under the Agreement. SELLER shall operate a quality assurance system in accordance with industry recommended standards and practices.

3. **CHANGE ORDER.** BUYER reserves the right at any time to issue a written change order or amendment to the Order ("Change Order") that alters, adds to, or deducts from the Goods or Services, but that is otherwise subject to these Terms and Conditions. SELLER shall promptly comply with the terms of any Change Order. If a Change Order causes a change to the cost or time for performance, the PARTIES shall promptly agree to an equitable adjustment in the contract price or delivery terms, as applicable, and incorporate such changes in the Change Order.

4. **DELIVERY.** SELLER shall deliver the Goods and/or perform the Services at the delivery point and on the date(s) specified in the Order ("Delivery Date"). If no delivery date is specified, SELLER shall deliver in full within a reasonable time of receipt of the Order. Timely delivery is of the essence. SELLER shall notify

any expected delay to the BUYER. If SELLER fails to deliver the Goods or Services in full on the Delivery Date, BUYER may reject such Goods and/or Services and terminate the Agreement pursuant to Section 18. SELLER shall indemnify BUYER against any losses, damages, and reasonable costs and expenses attributable to SELLER's failure to deliver.

5. TITLE AND RISK. Unless Incoterms are agreed (in which case risk shall pass to BUYER in accordance with such agreed Incoterms), title and risk in the Goods shall pass to BUYER on completion of delivery at the place specified in the Order. Neither payment by, nor passing of title or risk in the Goods or the Services to BUYER, shall be deemed to constitute acceptance of the Goods or the Services.

6. WARRANTIES. SELLER will pass through any applicable manufacturer's warranty to the benefit of BUYER. If any such manufacturer's warranty is not assignable, SELLER shall assist BUYER in pursuing any warranty claim against the manufacturer on BUYER's behalf. The warranty for Goods commences on the later of the day BUYER takes physical possession of the Goods or the Goods have been installed by SELLER, and is valid for the longer of (i) the statutory term provided by applicable law, (ii) twelve (12) months or (iii) the length of SELLER's or the manufacturer's standard warranty period.

7. REJECTION, REPAIR AND REPLACEMENT. Without prejudice to any other rights of BUYER hereunder or at law, in the event of defective Goods or Services or a breach of warranty, notwithstanding that such defect or breach may have been discovered by BUYER after delivery or performance, BUYER, in its sole discretion and at SELLER's risk and expense, may do any or all of the following within a reasonable period of time after discovery of the defect or breach: (a) terminate the Agreement pursuant to Section 18; (b) reject and return the Goods and/or Services; (c) purchase equivalent goods and/or services elsewhere; (d) require the Goods/Services to be replaced or repaired or re-performed by SELLER; (e) have defects in the Goods repaired by others; (g) have the Services re-performed by others, all the foregoing without prejudice to BUYER'S right to claim damages.

8. PRICE AND PAYMENT. The price of the Goods and/or Services ("Price") shall be as stated in the Order and unless otherwise stated, shall be inclusive of all taxes, levies, duties and charges for packaging, packing, shipping, carriage, insurance and delivery. No increase in the Price may be applied by the SELLER without the prior consent of the BUYER in writing. Unless otherwise stated in the Order, BUYER shall pay all properly invoiced amounts due to SELLER within forty-five (45) days after receipt of such invoice, except for any amounts disputed by BUYER. A prompt payment discount of 1.5 % shall be allowed for payment within 15 days following the date of receipt of the invoice. The PARTIES shall seek to resolve all invoice disputes expeditiously and in good faith. SELLER shall continue performing its obligations under the Agreement notwithstanding any such dispute. Without prejudice to any other right or remedy, BUYER reserves the right to set off any amount owing to it by SELLER against any amount payable by BUYER to SELLER. Payment of an invoice is not evidence or admission that the Goods or Services meet the requirements of the Agreement. As long as the SELLER has not fulfilled its obligations, the BUYER shall be authorized to retain all or part of payment of the PRICE.

9. INTELLECTUAL PROPERTY RIGHTS. SELLER shall retain ownership of any copyrights, patents, trademarks, design rights or registrations, trade secrets, development, invention, works of authorship,

know-how, or work results or similar intellectual property rights (collectively, " IP Rights") developed by SELLER prior to the coming into force of the Agreement (collectively, "SELLER's Background Work"). All right, title and interest in and to any design, development, invention, works of authorship, know-how, and/or work results created as a direct result of the Services and their related IP Rights ("Creations") shall vest exclusively in BUYER and shall be assigned to BUYER promptly upon creating or generating the same by SELLER. SELLER shall execute all instruments, deeds or actions necessary to vest such Creations in BUYER. SELLER hereby irrevocably waives, or shall procure all necessary waivers in favor of BUYER of, all IP Rights in the Creations. SELLER hereby grants to BUYER a non-exclusive, royalty-free, irrevocable, perpetual, worldwide, assignable, sub-licensable and unrestricted license and right for BUYER to possess, disclose and use and/or have possessed, disclosed or used, SELLER's Background Work or any part thereof as necessary to use, copy, modify, distribute and/or exploit freely any Creations, to the fullest extent permitted by law. If any Goods, Services, Creations or parts thereof become, or is likely to become, the subject of an IP Rights infringement, violation or misappropriation, then SELLER will, at its own expense, promptly take the following actions in the listed order of priority: (a) secure the rights necessary to continue using the Goods, Services, Creations and any parts thereof; or (b) replace or modify such Goods, Services, Creations or parts thereof to make them non-infringing, such that the replacement or modification will not degrade the performance or quality of the Goods, Services and or Creations.

11. CONFIDENTIALITY. SELLER shall not make any copies of Confidential Information except as specifically authorized by BUYER in writing. The provisions of this Section shall not apply to any BUYER's information if SELLER can prove that it was or has become lawfully known to SELLER without binder of secrecy or publicly available through no act or omission on the part of SELLER. At the request and option of BUYER, SELLER shall promptly either destroy or return to BUYER all Confidential Information not consumed in the performance of this Agreement, together with any copies in SELLER's possession.

If such an event of Force Majeure occurs, delivery or performance shall be extended for a period equal to the time such event or circumstance lasts or persists. In the event that any event of Force Majeure lasts more than thirty (30) days, BUYER shall be entitled to terminate this Agreement by written notice to SELLER.
